EXCHANGE REQUIREMENTS	
Language Requirements	The student must be able to understand classes and take exams in Portuguese. No certificate is needed.
GPA	<p>Our grades range from 0 to 10. If the student gets a grade equal to or higher than 7 in their exams, they are approved. If the grade is less than 4, the student fails. Between 4 and 7, they get to take a Final Exam, in which they must score 5 or higher to pass.</p> <p>It is also worth mentioning our credit system: one theoretical credit means 15 hours of regular classes and 1 practical credit means 30 hours of activity. In Music and Arts, it is very common that the courses mix theoretical and practical credits. For instance: the “Oral and Written Expression” course has 3 credits and 60 hours of course load, divided between 1 practical credit (30h) and 2 theoretical credits (2x 15h). You can check the number of credits and course load of each course on our “Ementário”: https://portais.unirio.br:8443/ementario/cursos.action</p>
Medical insurance	We just need that the student has a general health insurance valid in Brazil.

PRACTICAL INFORMATION	
Visa Requirements	The student should contact the local embassy/consulate to obtain a Student Visa for stays longer than 90 days.
Accommodation	Since UNIRIO does not offer lodging, we usually tell our students to look for a place to rent on Facebook groups or sites such as Airbnb. You can have an overview of the cost of living in Rio de Janeiro on the following link: http://www.custodevida.com.br/rj/rio-de-janeiro/
